GUIDANCE METHOD**

DECISION ON REQUEST
FOR CONSIDERATION OF IDS

This is a decision on the petition, filed December 31, 2009, under 37 CFR 1.181 to consider the references included with the Information Disclosure Statements filed November 17, 2009 and December 01, 2009.

Petitioner states,

"Information Disclosure Statements in conformity with the requirements of 37 C.F.R. §1.97-1.98 were filed on November 17, 2009 and December 1, 2009. Copies of the Information Disclosure Statements and the related papers are in PAIR. The above-referenced application has been allowed. The references cited in the former Information Disclosure Statements were never acknowledged or made of record by the examiner."

A review of the application file reveals that a Notice of Allowance and a Notice of Allowability were mailed for the above-identified application on October 02, 2009, which was prior to the filing of the above referenced Information Disclosure Statements. Subsequent to the filing of the above noted Information Disclosure Statements, there has been no indication that the Information Disclosure Statements were considered by the examiner.

Therefore, the petition is **GRANTED**.

The application file is being forwarded to the examiner for consideration of the Information Disclosure Statements filed on November 17, 2009 and December 01, 2009.
